THE ILLISOIS MAFORM.

General and ex-Gov. John M. Palmer has been formally neminated by the Reinocratic state convoltion of Illinois for U. S. Sonator to succeed Charles B. Farwell, tose term expires on March 4th next.

This is probably the first formal popular nomination for U. S. Senator that has ever been thus made. It is a good beginning of system that the motes for insular mountain of Illinois for U. S. Senator that has ever been thus made. It is a good beginning of a very important and much needed reform in the methods of filling the post of U. S. Senator, and tis to be hoped that it will develop into an established custom that shall have all the bluding.

ing Senators has been peculiarly inviting to corruption. Elected by legislative bodies whose members go to the Legislature uninstructed and responsible to no the financial retrogretion which at the financial retrogretion which the financial retrogretion which the share of the financial retrogretion which as are the rights of the federated author the financial retrogretion which as are the rights of the federated author that will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States within the sphere of and will live, we hope, forever. The rights of the States w the always present temptation to degrade the solemn responsibility gagged by Reed's rules of the of filling a seat in the highest House. Even the threat of a Union were, indeed, affected by the re-

sult in largely at least, reversing al orderings of the Speaker.

What may be the fitte of the the grandest figures in American polities, and the prespects of his election are more than fair. Every in anything like the shape in [Globe Demecrat.] Democrat elected to that body which it has passed the House, will now take his seat and go into good bye to the silver industry of the Sanatorial election with not the silver industry of Congress ever interthe Senatorial election with not the West, for silver will be marely the instruction, but the demontized.

and any event, it is good by the states to Congress over intersection and compared of members of only one political party—with the exemption of Judge Trimble, who is a Democrate and never ty of his state, to cast his vote free colunge, or anything apfor the convention nominee repreproaching it, under this administration of the election of members of was a positive drag. If the constitution constitution to the convention nominee repreproaching it, under this administration of the election of members of was a positive drag. If the constitution constitution to the convention nominee repreproaching it, under this administration of the election of members of was a positive drag. If the constitution constitution to the convention nominee repreproaching it, under this administration of the election of members of was a positive drag. If the constitution constitution constitution to the convention of the election of members of was a positive drag. If the constitution constitution constitution constitution to the convention of the election of members of was a positive drag. If the constitution cons no trading-no shuffling-no romblustions for factional advantages or official favors-but a straight, fair and honeat vote for Gen. Palmer or against him-and he will Senator Plamb, of Kansas, literal difference. be elected.

It will be the beginning of a blue for awhile. better day in politics the establishment of a higher standard of ability and decency in the constitution of the American Senate.

### AN ARTI BILVER VICTORY.

sentatives could attain that end, since the opening of Congress.
